

OCEAN DEFENDER

NANHAI is the exclusive manufacturer of **Ocean Defender** (Netless foam fender) and **Ocean Armored-Defender** (Net foam fender) which have the world today leading & professional high-tech raw materials and unique production technology. **Ocean Defender** reflect the excellent fendering design and functionality. "**Superior Guarantee, Supreme Guard**"

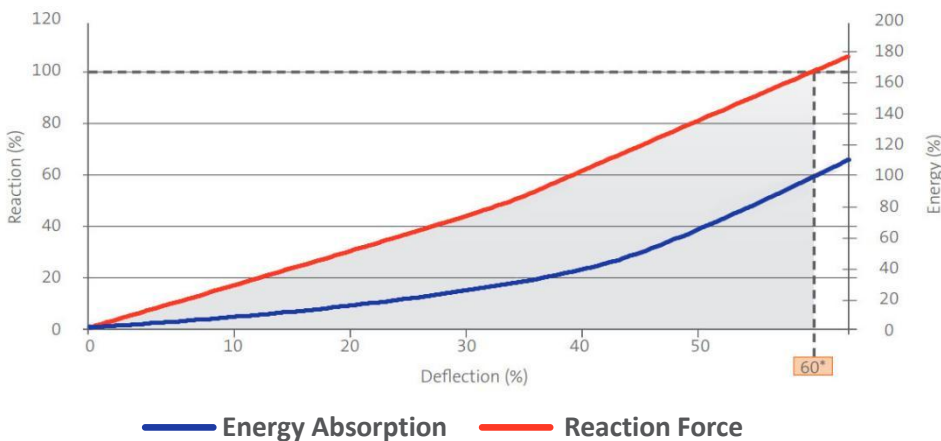

Low Capacity Performance Data Sheet

60% Compression

Fender Size D*L (mm)	Energy Absorption (kJ/m)	Reaction Force (kN)	Pressure (kN/m ²)
500*1,000	6	38	
700*1,500	17	82	104
1,000*1,500	30	105	104
1,000*2,000	45	154	104
1,200*2,000	60	175	104
1,500*3,000	151	347	104
1,700*3,000	185	379	104
2,000*3,500	298	519	104
2,500*4,000	513	719	104
2,500*5,500	788	1086	104
3,000*4,900	912	1064	104
3,300*4,500	929	1000	104
3,300*6,500	1570	1647	104

±10% Tolerance

Other sizes can be customized.

Fender energy, reaction, size, color, shape can be customized according to customer's requirements.
